DRAUGHT

For the beer lovers that just want a BEER! This malt forward brew has a drinkability like no other and a bitterness to match. Soft caramel tones carry through to a full bodied bitter that really quenches your thirst

HOUSE LAGER

A nod to the brewers of Germany, this classic style lager offers many layers of refreshment pulled together by a distinctive malt character followed by an addition of nobel hops leaving an enjoyable crisp finish.

CIDER

Tart, dry and delicious. Our take on the classic English scrumpy leaves nothing up to the imagination. This crisp, in your face, cider shaped around mutiple types of apples has a gusto like nothing you've tried before. A bold booziness for the traditional cider lovers.

CAPPUCCINO STOUT

A true stout for the dark beer lovers. This cappuccino Stout has eloborate layers of character, giving you light chocolate notes accompanied by sweet caramel, finishing with a delicate espresso roast.

PALE ALE

An everyday ale with a light biscuity malt, giving a welcoming mouthfeel with hints of honey and floral notes to accompany a sensible hoppy bitterness. Rounded out by a smooth, sweet ending.
